

Standard	Autumn Term	Spring Term	Summer Term
Nursery & Reception	From Reception students engage in "Bright Futures Ahead" – careers day which examines different pathways to success and provides pupils with the opportunity to practise soft skills.	Pupils engage in a unit on 'People Who Help Us' to understand the roles and responsibilities of some jobs in the public sector, such as a police officer or a nurse.	From Reception, students will continue to develop their awareness of their wider communities through managing a small 'budget' in the shop area.
Phase 1	"Bright Futures Ahead" – careers day which examines different pathways to success and provides pupils with the opportunity to practise soft skills.		
Phase 2	"Bright Futures Ahead" – careers day which examines different pathways to success and provides pupils with the opportunity to practise soft skills.	Children will engage with their impact on the wider community through the Reach Award, which gives pupils the chance to acquire and develop skills and experiences in different areas.	Children will continue to engage with their impact on the wider community through the Reach Award, which gives pupils the chance to acquire and develop skills and experiences in different areas.
