

Reach Academy Feltham Summer School 2021 Report

Reach Academy Feltham (UKPRN: 10037673) claimed £14,469.23 to fund the total cost of our summer school. We did not receive any funding from parents and carers or use any additional funding to supplement the summer school. The costs incurred were in relation to payroll, prepaid theatre trips including travel, food costs for pupils, and administration/cleaning costs.

Our summer school took place from 23rd-27th August 2021 inclusive. During the summer school we provided transitional activities (for example meeting new teachers and tours of the school), additional English and maths support, sports and arts activities and well-being activities and trips. All students that attended were provided with a cooked lunch and refreshments throughout the day at no charge to students or their families. Pupils from incoming year 6, 7 and 10 were invited to attend the summer school.

We staffed the summer school with qualified teachers, teaching assistants, pastoral/SEND support staff, administrative staff and our catering contractor.

Total payroll for staff totalled £13,019.36 including oncosts. £623.68 was allocated to trips, travel and associated expenses. Admin, catering and cleaning costs totalled £826.30.
